Dear Sirs,

I am in receipt of your letter of the 15th inst. respecting the S.S.No.25 now under construction at your Alloa establishment, and have carefully noted the contents.

I have since received your letter of the 16th inst. together with the complete copy of the Hull Specification of the vessel, as advised therein, and have the pleasure to say that this Specification and the Plans left at this Office by your representative are receiving prompt and careful consideration, and a further communication will be addressed to you in regard thereto as soon as possible.

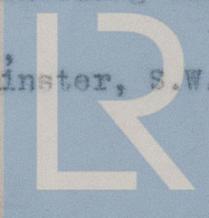

Due note has been taken of your remarks concerning the other four steamers being built at Alloa.

I am, Dear Sirs,

Yours faithfully,
