

tract from a letter received from the Surveyor at Auckland  
ed 17th July 1902.

In reference to the "COUNTESS OF RANFURLY" I have sent you  
particulars of the anchors and chains when I sent the report.  
y are heavy enough for a sailing ship of the tonnage but  
Lane informed me that he did not intend to change the anchors  
chains but will forfeit his deposit first. Therefore as  
y are not in accordance with Lloyd's Rules the vessel is not  
titled to the figure '1'. If he alters his determination I  
ll let you know.
