The Secretary
Lloyd's Agents of British & Foreign Shipping

Sir.
Enclosed I forward Quarterly
Aids of fees for Quarter ending 31 March.
also copy of Survey of Cargo S.S. Jupiter.
The measurements of the German 3-masted
schooner 'Samoa' are not yet completed
but will be by next mail.

Mr. Lane the builder of the 'Countess
of Ranelagh' has requested me to ask, "that
if he replaces the 45-ton of the round link
chain with 45-tons of stud chain, tested by
a machine recognised by the Committee, whether
they will then grant the figure 1, as the other
chains are 16 larger than that required for a
steaming vessel, although the machine is not one
mentioned in the Rules. The Certificate of the
Anchor was sent last mail. (i.e.) a copy of it."

I am Sir
your obedient servant.

M. T. Playfair
