14 August 1901.

The
Collector
H.M. Customs
Auckland.

Sir:

I have the honour to enclose Shy di
Certificate for the 'Countess of Russell'.
The Starboard anchor and chain are beyond
requirements for a sailing vessel, and much
smaller for a steam vessel and test Certificate
incomplete, only I can not decipher the No. on the anchor
and the weight. The port anchor and chain are
sufficient in size and weight for a sailing ship -
which is beyond the size for a steamer, only the Certificate
is not complete, and cannot be obtainable.

After the Report of the Surveyors and Valuers have
been examined by Shy di Committee. A Certificate
will be forwarded to you, signed by the Chairman,
London.

The Certificate I enclose is the interim
one.

I have the honour to be

Sir

Your obedient servant

Signed
