REC'D 29 AUG 1901

ANS'D

Secretary
Lloyd's Register of Shipping
London.

Sir,

Enclosed I send Copies of
Surveys on Cargo. also a cutting
from the 'Star' in reference to the 3
Wasted Schooner 'Countess of Ranfurly'.
You will notice what the Governor says
in reference to the trade she is to be
engaged in. I thought if I cut the
piece out of the Newspaper, and enclosed it
you would be sure to get it. I will
forward the Report next mail.

Yours truly

Your Obedient Servant
M. T. Clayton

Surveyor to Lloyd's Register.

Auckland

Referred to the Chief Ship Surveyor.
