Dear Sir,

S. Reverting to your telegram and letter of the 13th instant, respecting the case of the steamer "CRISPIN", I have to acquaint you that the Committee have had before them to-day, a report from the Society's Surveyors at Barry, of the Special General Examination that was made of the steamer there recently, and that in the circumstances, the Committee have agreed to the completion of the Special Survey No.2 being further deferred.

I should add that the Donkey Boiler has also been examined at this time, and its Safety Valves, which, however, have not been adjusted under steam.

I am, Dear Sir,

Yours faithfully,

Secretary.
