31st October, 1906.

H. Gentlemen,

I have to acquaint you that in August last some repairs were effected to the steam trawler "CROWN", No. 1645 in the Register Book, on account of damage sustained through collision, and that to complete the same the fore peak requires to be tested.

I have therefore to request that you will ascertain from the owners and let me know when and at what port this will be done.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

GRIMSBY.
