The Secretary

Sir.

S.S. "Drake"

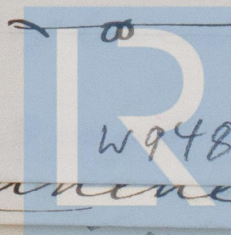

Ailsa S.R. Feb. 184.

I beg to acquaint you that this new steamer belonging to the General Steam Nav. Co., Ltd. has left Greenock for London after calling at Middlesbrough, and that owing to my not being able to pass the Navy pattern pump, it has been arranged between the Owners and Builders, that the pump will either be made efficient or renewed on the vessel's arrival on the Thames.

I shall be glad if the case can receive the attention of the Surveyors in due course.

I am Sir,

Your Obedient Servant
J. L. Dinnetto
