Received from Chief Ship Surveyor

EL'S NAME Single Screw Barges Nos. 355-6

Rpts Ant. No. 9884

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

of Survey First Entries

It is submitted the Hull Surveyors be informed that these two barges have left Antwerp for their port where their machinery is to be fitted, and anchors, chains and hawsers supplied and the after peak tank to be tested.

They should be requested to give the case the necessary attention and on completion of the work to forward a report on form 8 in the usual manner with a view to the classification of the vessels.
