Dear Sir,

In reply to your letter of the 4th., instant, requesting to be informed regarding the necessary repairs to the Boilers of the Steamer, "BELLBANK", I beg to inform you that I have been in communication with the owners today who stated that it was their intention to have these repairs and the Special Survey No.3, carried out at an early date, probably within three weeks from now.

They also stated that they are at present negotiating with the Ministry of Shipping with a view to bringing the vessel to this port for the purpose of carrying out the surveys in question.

I am, Dear Sir,

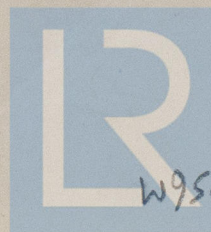

Yours faithfully,

J. H. Mackillop.

The Secretary,

LONDON, E.C.3.
