Reference

Sir

I beg to submit for the favourable consideration of the Committee, the enclosed sketch, showing particulars of cattle doors, which the Owners wish to fit in the S/s "Bay State"; they propose to fit 4 doors, 1 each side in the forward tween decks, and 1 each side in the after tween decks.

I also enclose a letter received from the Owners, from which it will be seen that the matter is urgent, and that they request it to be considered as soon as possible.

I am Sir

Yours faithfully
James Bradley
