ENCLOSURE.

23rd October, 1917.

Dear Mr. Warlow,

With reference to the enclosed report on the machinery of the steamer "CLAN MACPHERSON", (No. 37172), you will notice that as the survey has been completed with the exception of the examination of the donkey boiler, the steamer is eligible for a record of M.S.9.17.

Perhaps you would like to note this on the Minute, and if so, perhaps you will do so and return the report to me.

With kindest regards,

Yours faithfully,

P.L. Warlow, Esq.,  
GLASGOW.
