13th August 1915.

Dear Sirs,

I have to acquaint you that the Owners of the
team trawler "CLEON" stated in April last that this
vessel had been requisitioned by the Admiralty. She was
stopped at Aberdeen that month in order to have some
repairs carried out to the boiler and the Owners suggested
that that would be a good opportunity for part of the
Special Survey No.2 to be carried out. It appears however
that only the boiler survey was held and I shall therefore
be glad if you will inform the Owners accordingly and
ascertain from them and let me know whether the vessel has
yet been released from Government service.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Surveyors,
Grimsby.
