17th April, 1915.

Dear Sirs,

H. I have to acquaint you I am informed by the Owners of the steamer "GLETON", No.1331 in the Register Book, that this vessel has been stopped in Aberdeen by the Admiralty and is having certain work done to the boiler.

The Owners add that they think it will be a good opportunity to have a part of the Special Survey No.2, which became due at the end of March last, carried out and I have therefore to request that you will give the case the necessary attention.

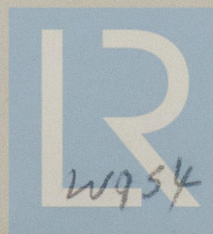

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

ABERDEEN.
