24th February 1908.

Gentlemen,

M

I have to inform you that I am in receipt of a first entry report from the Society's Surveyors at Middlesbrough on the new steamer "DACRE CASTLE", from which it appears that this vessel grounded on the north bank of the Tees when launched and has now proceeded to the Tyne where she has been docked in Palmers' Graving Dock at Jarrow for examination; and I have to request that you will be good enough to give the case the necessary attention, and forward your report of the examination of the bottom in dry dock as soon as possible.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

**NEWCASTLE-ON-TYNE.**
