Lloyd's Register of Shipping.

Port DOVER.

17th December, 1940.

This is to Certify *that I have*

Surveyed the Steel Screw Steamer "WATERLAND" 1107 tons gross
of London whilst lying in the Granville Dock, Dover, in conse-
quence of damage sustained by enemy action on 5th December,
1940.

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report, stating that all ^{damage and} repairs
recommended by me have been completed to my satisfaction, and
that I have Recommended that she be continued as classed,
being in seaworthy condition to proceed to Sunderland and to
continue in her employment subject to permanent repairs being
affected at Owners convenience.

~~being fit to carry~~

(Sgd) R. Stewart

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
