

ived by Chief Ship Surveyor 22. P. 01

Received from Chief Ship Surveyor

SEL'S NAME Steel S. S. "Ballesteros III"

Report Rot No. 3232

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

re of Survey

1<sup>st</sup> entry.

It is submitted that before this case receives the consideration of the Committee, the Rotterdam Surveyors should be requested to state the name of the port in England, where the engines & boilers will be fitted.
