

ved by Chief Ship Surveyor

Received from Chief Ship Surveyor

2-MAY-1919

SEL'S NAME Steel S. S. "CYRANO".

Rpt.

Fal.

No 5844

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

ure of Survey

It is submitted the Surveyors should be requested, in view of their statement that the s.s. No. 3 has been carried out with the exception of the examination of the coal bunkers, to report in detail and ~~in~~ seriatim in the terms of the rules the extent of the examination which has been made, and it should be pointed out to them that when the chain cables are ranged for examination the length and size of the same should be given on the report.
