71, Fenchurch Street, E.C.

13th September 1916.

Dear Sirs,

I shall be glad if you will point out to the Owners of the steam trawler "BALFOUR" that this vessel became due for her special survey No.1 at the end of June last and ascertain and let me know whether she is still in the service of the Government.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

Hull.
