

Ansd.  
Wokingham  
Dear Sir,

Munna.

Ms 16968.

W97-0063

Before this case receives consideration  
it is submitted the Surveyor be informed  
that when the Survey was commenced on the 1st July, the  
HP cylinder, HP valve & the pumps driven by the main  
Engine were examined. In view of the statement of  
the parts now examined it appears that the HP Slide  
Valve all pistons, HP cylinder, Air pumps, pumping arrangements,  
Condenser & electrical equipment have not been surveyed.  
The Surveyor should state how the case actually stands. W 130/1/41
