Belfast, 27<sup>th</sup> Nov 1906

Reference  
3 Encls.

The Secretary  
Sir

I beg to forward  
herewith, for the consideration of the  
Committee, the test certificates of the three  
Bower Anchors which Messrs Harland  
& Wolff propose to supply to their  
S.S. 383, the approved plans of which  
are forwarded with a freeboard report.

The weight of the 3<sup>rd</sup> Bower is less  
than, but the collective weights of the  
three Bowers is in excess of that approved,  
and in this case, the anchors proposed  
are submitted for approval.

The remainder of the equipment is in  
accordance with the Rule Requirements.

I am Sir,

Your obedient servant  
E. J. Mutton
