14th September, 1917.

Enclosures.

Dear Sirs,

I enclose herewith for your information the deferred Reports as under relating to the Motor Vessel "ARABIS" together with a letter which has been received from the Owners regarding the Special Annual Survey of the engines, and the inspection of the Screw Shafts, and I shall be glad if you will give these matters the necessary attention.

I have to draw your attention to the communication from the Ministry of Shipping relative to any repairs which may be required in this case.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

LEITH.
