4th September, 1917.

Dear Sirs,

With reference to the classification in this Society's Register Book of the Motor Ship "ARABIS", I beg to acquaint you that the Special Annual survey of this vessel's engines became due at the end of May last and I shall be obliged if you will kindly let me know for the information of the Committee what arrangements you propose making for this inspection to be carried out.

At the same time I shall be glad to learn within what time you expect to be in a position to have the vessel placed in dry dock and the screw shaft, which became due for survey so long ago as September last, submitted to inspection.

I am, Dear Sirs,

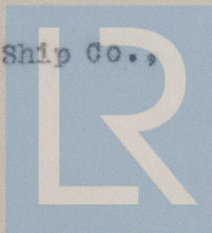

Yours faithfully,

Secretary.
