The Secretary

London

Sir

I beg to acknowledge your
Telegram of today, as follows — Steam-
arabic return today certain first entry and
plans sent. 27th return.

In reply to same. I herewith return the first
entry report and the approved plan of
Midship Section, together with a copy of the
Midship Section, as built.

I am sorry that there have been somewhat
delayed, but I thought it better, on account
of several alternative arrangements, to obtain a
plan as well, rather than amend the approved
plan to agree with the report.

This plan I received from the Builder today.

I am Sir

Your obedient servant,
