13th February, 1919.

Dear Sirs,

I am in receipt of Mr. Pine's letter of the 12th instant, respecting his survey of the steamer "ARCHBANK", (Rpt. No. 927), and am much obliged to him for the information now furnished regarding the temporary repairs.

I may say that no report appears to have been received from the Society's Surveyor at Gibraltar, but I am communicating with him on the subject.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
MALTA.
