11th August, 1936.

Dear Sir,

I am in receipt of your memorandum of the 31st ultimo intimating that you have been informed by the Owners that the steamer "ZAMZAM" is at present laid up at Suez, but that before she is again placed in service in December next she will be drydocked and have the Screwshaft Survey carried out. In reply I have to say that the case has received consideration today, and that in the circumstances the Committee will be agreeable to the inspection in question being postponed for the present.

I shall be glad if you will inform the Owners accordingly.

I am, Dear Sir,

Yours faithfully,

Copy to Port Said.

Clerk to the Classification Committee.
