PORT SAID.

T.S. "ZAMZAM".

Dear Sir,

In reply to your letter of 16th November last,  
relating to the above vessel, I beg to inform you as follows :-  
The vessel is stationed at Suez.

I note you had no particulars of the scantlings of the tunnel  
and athwartship bulkheads and asked to be furnished with same  
from the Owners. They have just recently sent this to me and  
I took the first opportunity of being in Suez to check it.

The No. 5 hold conversion into a deep tank for fresh water is  
nearly completed, having only the testing to be done.

The proposal to construct a deep tank in one of the holds for  
oil fuel has been cancelled for the present.

Freeboard.
