

T.S.S. "ZAMZAM".

The Port Said Surveyor raises a number of questions regarding the conversion of certain of the holds of this vessel for the carriage of oil fuel.

These points were dealt with on submissions made by the Alexandria Surveyor, and it is submitted that copies of the plans then approved, together with copies of the letters which passed between the Alexandria Surveyor and this Office, be forwarded to the Port Said Surveyor, who should be requested to be guided accordingly.

*Pl. 11/10/35
Amend. 16/11/35.
2 plans & 2 letters.*
