

PHILADELPHIA, PA.

OCTOBER 1st, 1918.

A. T. THOMAS

the Owners, attend on the screw Steamer, "LA BREA", 6945 Tons gross on the 30th of September, 1918, while lying in the Sun Shipbuilding Company, Wet Basin, Chester, Pa., for the purpose of examining a set of High Speed Reduction gears stated to have been disconnected at Panama on the 27th of August, 1918, while Vessel was on a voyage from Tocopilla, Chili to Tampico, Mexico.

Upon examination, found pinion and gear wheels badly worn.

Recommended, that a new set of High Speed Reduction Gears be fitted.
