

the following items were completed to my satisfaction.
Casings completed & riveted up

by Chief Ship Surveyor

Received from Chief Ship Surveyor

'S NAME *Steel S.S. "JACOBUS"*

Rpt. *Hul.*

No. *31804*

remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

of Survey

First Entry

Before this case receives the consideration of the Committee the Surveyors should
be asked to state whether the Watertight Door & Pumps have been tested & found
efficient working order, also whether the tank top plating has been increased in
thickness as required in lieu of ceiling
