FREEBOARD REPORT on the

S/S Jacobus

Similar deck cargo

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval.

It is further submitted that a copy of the assignment letter for ordinary cargo freeboards with conditions as enumerated in endorsement 2/12/32 be forwarded for the ~~information~~ information of the Newcastle Surveyors. They should be informed that the two items referred to, are stated by the owners as having been earned out but no report to that effect has been ^{received} in this office. The Surveyors should be requested to examine and forward particulars. The Surveyors should also be requested to inform this office when the Special Survey is nearing completion so that certificates may be prepared.
