Dear Sir,

"JACOBUS" S/S

We have to acknowledge the receipt of your letter of 19th instant.

We understand that the Society's Surveyor has visited the steamer at Sharpness, and as, (after bunkering today at Barry), the vessel is to proceed to Fowey (Cornwall) to load, we shall be glad to receive your recommendations as early as possible - so that, as soon as the necessary work is carried-out, we may telegraph your Surveyor at Plymouth, and, after his inspection, he may deliver to the Captain the new Load-Line Certificate.

No doubt you will arrange accordingly.

Steamer is expected at Fowey on 23rd Instant.

Yours faithfully,

ON BEHALF OF
OHLSON STEAMSHIP CO.
