

BOARD REPORT on the

Messrs Goole S.B. & Rbo's S.S. No 286.

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval, subject to the dimensions and particulars now supplied being verified on Completion of the ship, to the ends of the erections being closed as required for full allowance to the freeing port area being equal to the rule requirements and to facilities being provided to enable the crew to get to and from their quarters without descending into the well.

The freeboards have been computed on a corrected tonnage coefficient of .76 and are, therefore, subject to revision if found necessary.
