Dear Sir,

F. I am in receipt of your letter of the 17th ultimo enclosing copy of freeboard report, verification of marking form etc., in the case of the steamer "JAMES MCGEE", the contents of which have been noted.

In the recent Panama Load Line Computations which have been received in this office from you it is observed that the American official number has been retained on the official form, and it is assumed that this is a clerical error.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

W. Bennett, Esq.,

NEW YORK.
