1st May, 1917.

Dear Mr. Chisholm,

I duly received your letter of the 12th ultimo, regarding the freeboard reports on Skinner & Eddy Corporation's No. 3 preliminary, and on the Bethlehem Steel Co.'s No. 158, S.S. "JAMES MCGEE", and thank you for the information regarding the tonnage and sheer measurements for the latter vessel, which enabled us to deal with the case without having to make enquiry.

With kind regards,

Yours faithfully,

Geo. H. Mares
