Lloyd's Register of Shipping.

Port SINGAPORE

25th May, 1940.

This is to Certify that I have

Surveyed, ~~the~~ in loaded condition, the Steel Twin Screw Motor Vessel "JAMES STOVE", 8215 tons gross of OSLO, whilst lying afloat at Pulo Bukom,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, ~~stating that all repairs recommended by me have been completed to my satisfaction,~~ and

that I have **Recommended** that she be continued as now classed in the Register Book without fresh record of survey subject to the cargo tank bulkheads being examined and dealt with as necessary after discharge of the present cargo and to all outstanding repairs being dealt with as previously recommended

being fit to ~~carry~~ proceed to her final port of discharge with her present cargo.

John Wormald.

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
