Reference

Dear Sir,

Messrs. Scheeps "Gideon" J. Koster's
Yard Nos. 161/2.
Messrs. Humboldt-Deutzmotoren's Engines.

The contents of your letter of 11th May, 1938,
have been conveyed to Messrs. Humboldt-Deutzmotoren, who with
their letter of 22nd inst. gave us the following reply in
the matter:

"We must insist on our point of view laid down in
our letter of the 27th April, 1938 (see our letter of
30th April, 1938, directed to you). The capacity of the
bilge pump depends on the size of the vessel.
Therefore it is the concern of the yard to provide
a corresponding spare bilge pump. As not only our
works but also other Diesel engine builders are of
the same point of view, we rather prefer the
determination of the capacity of the bilge pump be left
to the yard."

We are, Dear Sir,

Yours faithfully
