Botanicuslaan No. 23,

Haren-Groningen, the 17th. February, 1938

SURVEYOR:
 L. H. WEHRMEYER.

Dear Sir,

I forwarded today for your approval, under separate cover, two plans in duplicate of bilge-, ballast-and coolingwaterpiping, and of air-, fuel-and lubricatingpipes, proposed by Scheepswerf "GIDEON" J. Koster Hzn., for their Yard Nos. 161/162.

I shall be pleased if you ^{will} sent one approved plan of each to my address in order to save time for the builders. By my care I shall issue an amended plan with copy of your letter concerning the case to the Rotterdam office.

I am, Dear Sir,

Yours faithfully,

The Secretary,

LONDON.
