General Observations, Opinion as to Class, Recommendation, &c.:—

State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book this survey, thus, for example:— "to remain as classed in the Register Book without fresh record of Survey," "to remain as classed and to be surveyed 12 months," or "to remain as classed and to be surveyed 12 months and the retention of No. 128"
