Dear Sir,

In reply to your letter of the 16th inst., we can tell you that the Steam Trawler "ALIDA" is now on passage to Sunderland to be broken up at the Yard of Messrs. Thomas Young & Sons (Shipbreakers) Ltd.

The "MASONA" has not yet been delivered to Shipbreakers, but as soon as both vessels are in an advanced state of demolition, we will send you further advices. Perhaps you would take the opportunity of reminding us from time to time of any ships which you are informed come through this Corporation, as we do not always obtain the ship's Register.

Yours faithfully,
BRITISH IRON & STEEL CORPORATION (SALVAGE) LD.

Director.
