11th November, 1947.

Dear Sirs,

I beg to acquaint you that according to information received in this Office the Steamer "FREELOCK" (ex Corvette "FREESIA") has been acquired by your goodselves.

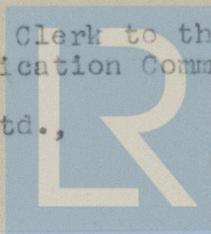

I think it well to inform you that this vessel was built for the Admiralty under the supervision of the Society's Surveyors in 1940 and was assigned the class "A-", For Government Service, * LMC 11.40.

It is concluded that it is not your desire to continue the classification of the vessel with this Society but it will be appreciated if you will kindly let me know your intentions in this connection.

Yours faithfully,

Clerk to the
Classification Committee.
