M/V "FAMAGUSTA"

P.O.Box 15.

CL/SE/LL.T.

March 14th 1947.

Senior Stores Officer,
Admiralty,
Whitenall.

Dear Sir,

I have recently purchased two Stockless Anchors from Messrs Shaws of Kent which were taken from L.C.T's being broken up in their yard. I will be grateful if you can let me have such proof certificates which may be available regarding these anchors.

The Marks and numbers which can be read are as follows:-

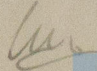

1. Stockless 12 cwt. No 44749. Marks F.S.F. 4.7.43.
2. Stockless 15 cwt. No. 27921. " P.F.I. 1.4.31.(?)
Makers:Byers.

I also have another anchor which was supplied with L.C.F. 430 which I purchased from the Admiralty last April (1946) and I will be pleased if you can give me any information regarding this as well.

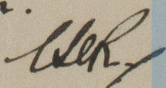

3. Stockless, 12 cwt. Byers 438.

This information is required for the Classification certificate as supplied by Lloyds Register of Shipping. This certificate cannot be supplied until these proof test certificates relating to these anchors can be entered in their records.

Yours faithfully,

Director.
