THE SECRETARY

LONDON

Dear Sir ,

With reference to your letter of the 2nd inst. assigning a freeboard to the s/s "KERVEGAN", I would respectfully inform you that the Owners having now withdrawn this vessel from the classification of the Bureau Veritas maintaining that of this Society only; the Bureau withdrew their freeboard certificate.

It is noted that the freeboard now assigned is 90 m/m greater than that of the Bureau Veritas, and I fear that such an addition may mean that the Owners will give the vessel back to the Veritas and withdraw her from this Society.

I am, Dear Sir,

Yours faithfully.
