**COPY**

17th July, 1947.

Dear Sirs,

With reference to your Rpt. C.12(a) on the "MILDRED", I have to point out that the Tropical Fresh Water freeboard is "nil" with a corresponding allowance of 10 cms. above the centre of disc, and I shall therefore be glad if you will confirm that this has been correctly marked on the vessel's sides.

Yours faithfully,

pro Secretary.

The Surveyors,  
ROTTERDAM.
