Dear Sir,

S. I am in receipt of your letter of the 26th ultimo regarding the case of the Steamer "LUNA" ex "PUNGUE", and note that this vessel has met with a serious accident in Portuguese West Africa, and that you are afraid the classification charges against her must be considered a bad debt. In the circumstances, it is proposed to write off the amount in the Books here.

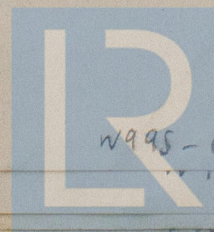

I am, Dear Sir,

Yours faithfully,

Secretary.

Geo. Payne, Esq.,

LISBON.
