S.S. "LUNA" LONDON

Dear Sir,

The owners of this vessel do not appear inclined to pay expenses etc, so presume we must consider same a bad debt, now that this vessel had a violent explosion on board with the donkey boiler at Guiné (Portuguese West Africa) which shifted the main boiler 6" aft and practically wrecked the vessel destroying a greater part of her cargo, doing damage to the extent of £10,000. and she is reported to be a total constructive loss.

I am, Dear Sir,

Yours faithfully,

Geo. Payne
