

24/47

COPY for R. Dept. (unReed)

LLOYD'S REGISTER OF SHIPPING,

DUBLIN.

24th March, 1947.

Dear Sir,

With reference to your Classing Letter of the 7th instant respecting Report 6217, of the Steamer "MUIRCHU", I have been informed that this vessel is up for sale for breaking up purposes. At present she is in Rushbrook Drydock and has been examined by me for damage received by ranging alongside a quay wall at Haulbowline.

Messrs. Hammond Lane Foundry, Dublin have phoned to say that they have sent in a tender and will arrange, if their offer is accepted, to carry out sufficient repairs to make her seaworthy for the passage from Haulbowline to Dublin at which port she will be broken up.

I have been requested to issue a Certificate to the purchasers, after completion of satisfactory repairs, for the voyage stated and presume that it will be in order for me to issue same on Certificate B.

Yours faithfully,

(Sgd) R. B. Grier.

The Secretary,
LONDON.
