Dear Sir,

Tanker "MARKAY".

I am very pleased to have your letter of 16th. inst. also copy of letter in similar terms addressed to Mr. A. Reid, Swansea, kindly conveying an expression of the Committee's appreciation for the special attention and services rendered in connection with the temporary repair of the above vessel, whose safe arrival at a U.S.A. port has now been advised.

It was an unusual case, one which provided an opportunity to shew the Society's services to advantage and we are pleased to learn that we creditably met that requirement.

I am, Dear Sir,  
Yours faithfully,

*B. H. Hicks*
