Dear Sir,

Reverting to your letter of the 11th ultimo respecting the tanker "MARKAY", I am directed to acquaint you that the proposal outlined therein to submit a paper on the repairs carried out in this case is entirely endorsed, but at the moment it is unlikely that permission to read such a paper would be granted by the Ministry of War Transport. Nevertheless it is hoped that it may be produced at an opportune time.

I am, Dear Sir,
Yours faithfully,

Clerk to the
Classification Committee

C. H. Stocks, Esq.
CARDIFF.
