ANSD.....

Dear Sir:

I duly received your letter of the 4th ultimo respecting the steam tanker PENNSYLVANIA, and in reply I may say that Mr. Chapman at Mobile confirms that the tanker by this name, built by the Fore River Shipbuilding Company, No. 31003 in the current Register Book, has been broken up. The demolition started about July 1947 and was completed in October last.

Yours faithfully,

Principal Surveyor, U.S.A.
